HERE WE GO AGAIN

I happened to glance at your latest issue of . . . pardon the expression . . . DRAG cartoons . . . and noticed you refrained from printing my last seven letters . . . what kind of a magazine are you people running? . . . I thought this was a free country . . . first you refuse to accept my subscription and then you refuse to print my letters . . . Freedom of the press doesn't allow you to pick and choose . . . I might add I just looked at issue No. 4, I didn't buy it. HAW HAW HAW. I notice in issue No. 4 you've left it up to your readers to decide if I should get a subscription or not . . . well, you might as well put me on the list because I'm in the right.

GOLDWATER FOR PRESIDENT ? ? ? I shoulda known!

WHERE IN THE WORLD . . . . ? ?

Where in the world did you get that crazy nut with the crash helcot?
Nancy Fremont
Oakland, Calif.

Brazil . . . where else?

TUFF MAN . . . TUFF!

It was sure great to learn that DRAG cartoons will be on a monthly basis . . . I really enjoyed the last issue . . . you sure got some tuff cartoonists. Where do you nuts get all your ideas?
Brad Simpson
Denver, Colo

That'd be telling . . . heh . . . heh . . . heh . . .

NAAFH

I'm sure glad to see someone with 'nuff guts to stand up and support the Flattie. Sure they're old and tired . . . but they still hunk. I hear that a guy on the coast is clockin' 9.30 et's and 155 mph and Dave Hastings is doin' pretty close to that too. Good show and God save the FLATHEADS!
Chuck Miller
Bend, Ore.

Yeah . . . and a little ole Flattie driven by Mr. Bradley beat Big John!

SICK . . SICK . . SICK . . SICK!

When are you going to stop playin' up the flatheads? . . . let's face it . . . they were a pretty good engine in their time . . . but baby, this is 1964 and it's the world of overheads . . . the flathead is DEAD!
George Brentwoods
Harksdale, Miss.

Let us pray . . . .

DIG . . DIG . . AND REALLY DIG!

I sure dug your latest cover . . . reminds me of the early issues of Brand X 'toons glad to see Millar on his own. I think Ellefson is great. Let's see more of him! I'm sending along the coin for the Roth book . . . if it's half as good as DRAG cartoons it'll be A-CASS!
Zeke Mudestt
Ft. Sam Houston, Tex.

SUPPORT FROM THE RANKS

I really get a chuse out of the way you sneek in the advertising. The first Isky ad was hitchin' . . . I like the idea of B.C. . . . Glad that some of the advertisers are supporting you. How come you haven't more?
Mel Mansfield
South Bend, Ind.

Would you like a rate card?

BROAD RODDERS

Hellin there you big hunk of cartoonists . . . just a quickie to say I really dig your magazine. Have but one suggestion . . . the same stories for us girl-type rodders . . . we're hip too, ya know. I'll still buy your rag even if you don't.
Love 'n Kisses
Sally Kline
San Diego, Calif.

Oh yeah?!

. . . . . WITH FLOWERS

I think DRAG cartoons is about the greatest thing in the world . . . it puts CAR 'toons to shame. When Millar was doing it it was great . . . but where'd they dig up all those clowns. And Rod & Custom should be ashamed of themselves . . . Arin Cee was a good thing but the way that guy has screwed him up . . . I'd sue if it was me! Thanks again for coming out with such a boss magazine.
Bill Terry
Roswell, N.M.

Thank you for supporting us.

WHO'S THAT MAN?

I've been following the cartoons of Pete Millar for some time . . . and he's the greatest! He must really have a mind for hot rods . . . how active is he? I did notice the pictures of the INTRUDER . . . is that for real?
Sam Brown
Dallas, Texas

Yes, Pete is pretty active. Photo shows him at Lions Drag strip.

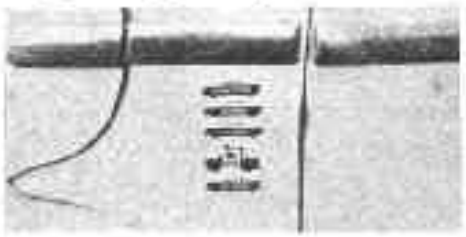
KILL decals are something new for the automotive decal field. 'Kills' are used to mark drag victories. Similar in principle to the markings used by fighter pilots during WW II to announce their combat scores. The 16 designs show "Exhaust Eaters" in silhouette, black on white to permit use on cars of all colors. 'Kills' are sold in sheets of five identical decals for one dollar.



Man, like I **GOTTA** have these babies! I've eatin' up so many irons I've lost count . . . so send me the ones I've checked, dig?

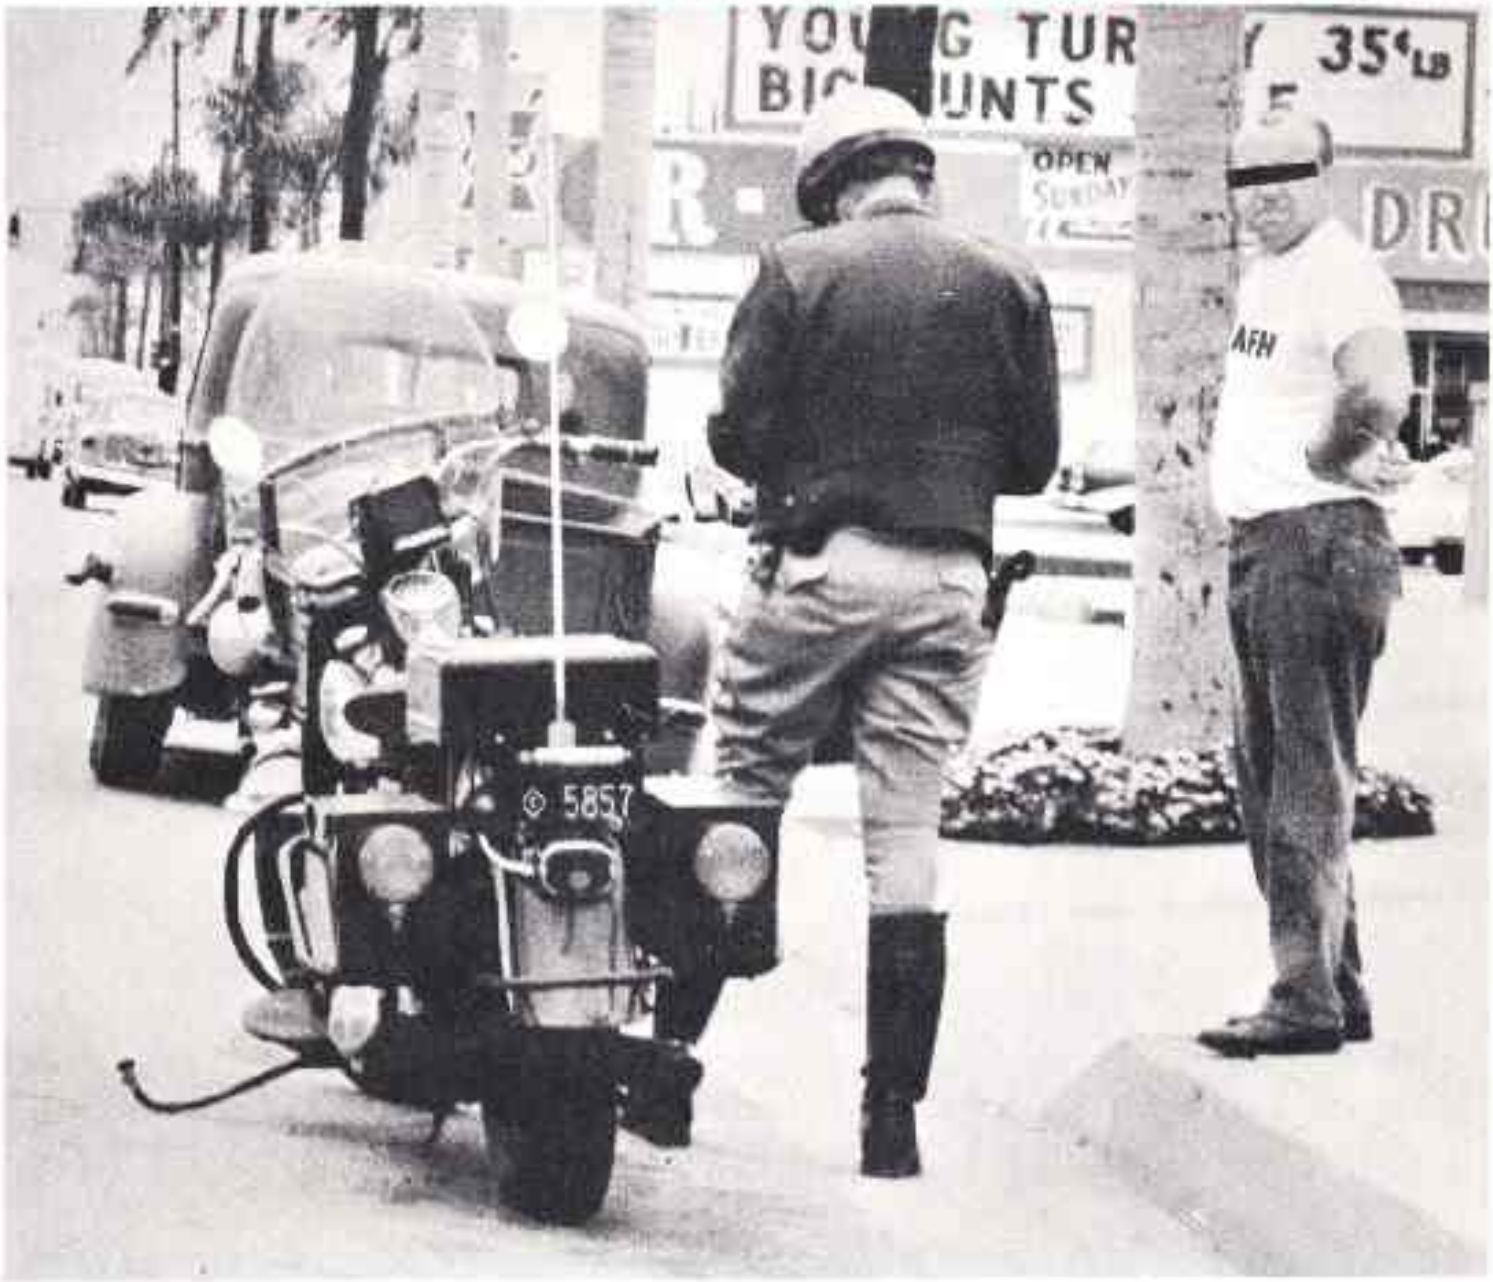
STOP DISCRIMINATION!



There I was, cried NAAFH member No. 97, minding my own business when from out of nowhere popped 'the man'. Said I was driving too slow . . . A menace to the general safety . . . I accused him of being prejudiced towards flatheads . . . but he just smiled and kept on writing. Are we to find no equality in these United States . . . are we to remain 'second-class racers' or are we to stand up and be counted? *UNITED WE STAND . . . DIVIDED WE FALL . . .* Join the NATIONAL ASSOCIATION FOR THE ADVANCEMENT OF FLATHEADS and help erase this iniquity! Send initiation fee of $5.00 (yearly dues are $2.50) and you'll receive: NAAFH T-shirt, Flatheads Forever decal, NAAFH decal, Membership card and the official Flatheads Forever Newsletter. *THE FLATHEADS WILL RISE AGAIN!*

Oh yes, I DO believe the *FLATHEADS* will rise again and emancipation is at hand. I further believe in the suppression of the (ugh!) Overheads and will oppose the *NAAFH* movement to the end. Please consider my application and send me the weapons of recognition as soon as possible.
